## SUMMARY

---

I'm a third-year student majoring in Computer Science at BINUS University, I am highly driven to advance my expertise in technology, with a focused interest in software and web development. My academic background, combined with hands-on experience, has equipped me with strong technical and problem-solving skills. I excel in collaborative environments, demonstrating effective teamwork, leadership, and communication capabilities to achieve project goals. I am eager to contribute to innovative projects and leverage my technical proficiency in web development to deliver impactful solutions.

## EDUCATION

---

### **BINUS University**

**2022 – 2026**

**PROJECT**

---

**Portfolio Website****Sep 2024 – Nov 2024****Web Developer**

- Planned the website layout and user experience, focusing on a clean, responsive, and professional design to showcase my work effectively.
- Used HTML, CSS, and JavaScript to build the site, incorporating frameworks like Bootstrap for responsiveness and functionality.
- Deployed the website via **GitHub Pages**, ensuring accessibility, fast loading, and seamless navigation across devices.

**TaskEase****Feb 2023 – Jun 2024****Front End Developer**

- Created an intuitive and visually appealing interface, focusing on responsive layouts and a seamless user experience to ensure accessibility across all devices.
- Built and styled the website using modern technologies like React.js, CSS, and JavaScript, implementing clean, reusable, and maintainable code.
- Worked closely with the development team to integrate front-end designs with back-end functionalities while optimizing performance for smooth and efficient operation.

**SKILLS AND ABILITIES**

---

- **Hard Skills:** English, Indonesian, Algorithm & Data Structures, IDE, Programming Languages (PHP, HTML, CSS, JS, ASP.NET, etc), UI/UX Design, Web Development, Software Engineering, and Media.
- **Soft Skills:** Community Development, Problem Solving, Mentoring, Delegate Management, Team Leadership, Decision-Making, Project Management, Creativity and Innovation.
